Funeral Planning and Staffing During Services

Every cremation service package we offer includes our funeral planning and staffing during services. From the moment you call us, our professional staff is committed to serving you and your family with compassion and dignity.

Signature Service is:

Creative planning of meaningful tribute services, scheduling services, creating custom stationery, arranging the room set-up, accepting floral deliveries, logging floral arrangements and placement in the room, placing death notices in newspapers.

Posting the obituary with a picture and option to add text on our website, Channel 7 and Tributes.com national website.

Coordination with clergy, florists, cemetery, crematory, or other complementary service providers

Complete and file death certificates, veteran's benefits forms, veteran flags, Social Security notification and other required documents, e.g., affidavits for cremated remains to be carried by the passenger on the airlines.

Assistance with insurance claims
